Marwan Ahmed Al Ali, Director General of the Department of Finance in Ajman, confirmed that the department is continuing its efforts to support the UAE's march towards upgrading methods of innovation and digital transformation. He said that the department's participation in the event is in line with the aspirations and endeavors of the wise leadership in the country, to achieve the highest ranks in this field at the global level. He added that the Department of Finance participates in the Innovation Week with many initiatives and projects that work to achieve its strategic objectives and seeks, through its innovative projects, to develop a leading financial system, in line with its strategy based on employing various means of innovation to raise the efficiency of financial and government work.
