The Ajman Chamber of Commerce and Industry announced linking its digital services to the Ajman Smart Payment Gateway, which will provide the Chamber's customers and members with a unique payment experience through various channels and options that meet their needs and save time and effort. The link was announced during the signing of a "remote" agreement using the digital identity UAE Pass between the Ajman Department of Finance and the Chamber, which was signed by His Excellency Salem Al Suwaidi, Director General of the Ajman Chamber, and His Excellency Marwan Ahmed Al Ali, Director General of the Department of Finance. His Excellency Salem Al Suwaidi said that linking the Chamber’s digital services to the Ajman smart payment gateway comes within the framework of its keenness to serve its members, which will enable them to complete all payments for the fees for services provided by the Chamber remotely and easily, 24 hours a day, seven days a week, as well as the multiplicity of channels and payment options that it provides. the gate. He added that this step is a qualitative leap in the quest to support digital transformation in the Emirate of Ajman and improve the quality of services
