Department of Finance in Ajman concluded the second edition of the Financial Leader’s Workshop, from the “Our Summer of Happiness” program, which was launched on July 19, and continues until August 18. The program is receiving the attention of His Highness Sheikh Ammar bin Humaid Al Nuaimi, Crown Prince of Ajman, Chairman of the Executive Council. As part of a series of programs and qualifications that the department has introduced into the third summer activity, it aims to develop financial leadership skills and improve financial planning among young people, with the aim of strengthening them on team leadership and improving their financial management. The workshop discussed leadership, its most important roles, risk teams, theoretical concepts of leadership, and its role around government agencies for their strategic goals and objectives.
