As part of its efforts to maintain the health and safety of its customers and improve the efficiency of the services provided to them, the Ajman Transport Authority announced the linking of its digital services to the Ajman Smart Payment Gateway. This step will ensure that transactions are conducted with a high degree of security, enhance the quality of services, and provide a variety of payment channels and methods to suit the various categories of the Authority's customers. This link was announced during the signing of a remote agreement using the digital identity UAE PASS between the Ajman Department of Finance and the Ajman Transport Authority, which was signed by His Excellency Marwan Ahmed Al Ali, Director General of the Department of Finance, and His Excellency Eng. Omar bin Omair Al Muhairi, Director General of the Authority Transport. Commenting on this topic, His Excellency Eng. Omar bin Omair Al Muhairi, Director General of the Ajman Transport Authority, said this step is a qualitative leap in the quest to maintain the safety of the authority's customers and provide the best level of services to the authority's customers. Here we commend the great efforts made by the Finance Department in Ajman to meet the aspirations and needs of the authority, which dedicated this success to providing a quality of life and a better living experience!! His Excellency added, "We are always keen to provide our services in a way that provides ease, comfort and safety for our customers. Connecting our digital services to the Ajman Smart Payment Gateway will make all payments for service fees smoothly remotely to maintain the health and safety of customers. The services that will be charged for through the Ajman Gate will include For smart payment, request for taxi vehicles, request to inspect vehicles, pay fines, request to issue a transportation permit, request to issue or renew drivers permit, in addition to many other services provided by the Transport Authority in the Emirate of Ajman for his part, said His Excellency Marwan Ahmed Al Ali, Director of General of the Department of Finance in Ajman We are proud to witness the various government departments in Ajman moving forward in the process of digital transformation and following the example of the Emirate in maintaining the safety of citizens and residents and facilitating their access to government services from their homes. method and the highest level..
