The Ajman Department of Finance recently won the Best Internal Audit Department in the UAE for the year 2021 from the high-ranking International Finance magazine, which reflects the commitment to international standards and best practices of the internal audit department, as this leads to the department's excellence in establishing strong auditing rules in the light of the criteria. local and global. The department has crowned this success thanks to its continuous efforts to improve the quality of its operations and services, which contributes to making a positive impact on its performance. Marwan Ahmed Al Ali, Director General of the Department of Finance in Ajman, said, "We are proud of this achievement and of contributing positively to supporting the efforts of the Ajman government and its directions in achieving sustainability and introducing continuous improvements and developments to the government work system based on the results of the ongoing internal audit work." Al Ali stressed the department's keenness to anticipate the future and build readiness for it, in addition to continuing to work to achieve more gains and enhance the position of the Emirate of Ajman in global competitiveness in various fields, in line with the vision and directives of the wise leadership in the emirate. For his part, Jassim Bu Osaiba, Director of the Internal Audit Office, said that the department's obtaining the award is the result of the successful application of international standards for internal auditing.
