Sheikh Abdul Aziz bin Humaid Al Nuaimi, Chairman of the Board of Directors of Ajman Media Free City, announced the linking of the city's digital services to the Ajman Smart Payment Gateway. He said Ajman Media Free City joins a number of government departments that have previously linked their digital services to the Ajman Smart Payment Gateway. Ajman Media Free City is working to continue the process of digital transformation that the Emirate of Ajman seeks to achieve, by adopting the latest practices and formulating the best strategies that would meet the needs of companies operating in Ajman Media Free City. Mahmoud Al Hashimi, CEO of Ajman Media City, said: "We are always keen to put customer satisfaction at the top of our priorities. Now, after linking our digital services to the Ajman Smart Payment Gateway, which provides multiple payment options and channels, our services include requesting a new facility card, requesting an entry permit to the country, completing medical examination procedures and requesting Emirates ID, residency stamp on passport, and other services, It enjoys ease, convenience and a high degree of security, which ensures the happiness of customers. Marwan Al Ali, Director General of the Department of Finance in Ajman, said, "We are working closely with all government departments and institutions in Ajman to meet the needs of its customers, who prefer to use smart platforms for payment today."
