The Ajman Government Finance Department organized a ceremony at its headquarters to honor its media partners, for their effective contributions to the success of its media journey and to deliver its message that highlights the financial role that the department plays to support sustainable development efforts in the Emirate of Ajman and the UAE in general. On this occasion, His Excellency Marwan Ahmed Al Ali, Director General of the Department of Finance, stressed the importance of the role of media representatives in enhancing the institutional development process by conveying all events and news about the department's strategic initiatives and projects with high professionalism. He pointed out that the department is keen to manage its media relations effectively, and to share its qualitative successes with its strategic partners, especially media institutions that are making unremitting efforts that contribute to defining the features of the Emirati media and shaping the future of this vital sector. In his speech during the honoring ceremony, His Excellency said, "It has been a year full of achievements that we and our media partners shared in the success of the initiatives and events adopted by the department in various financial and awareness aspects, so that we will witness together a year during which we celebrate our positive partnership that culminated in successes and excellence.
