The Ajman Government Finance Department concluded its participation in the Innovation Month by winning the “Emirates Innovates 2022” award in the category of best innovation in the use of resources in the “Fursan Robots Project” among 460 initiatives and projects participating in the activities of the second cycle of the award. Her Excellency Ohoud bint Khalfan Al Roumi, Minister of State for Government Development and the Future, handed over the award shield to His Excellency Marwan Ahmed Al Ali, Director General of the Department of Finance, during the Emirates Innovates Award ceremony, which was held recently at the Museum of the Future in Dubai. This award came to reflect the keenness of the Ajman Department of Finance and its qualitative efforts to advance its innovative technical achievements in the field of artificial intelligence, and its keenness on the integrity of the government’s financial performance data, through the latest digital technologies through the application of robotic programs that are based on matching expenditures with a resource system, and the transfer of restrictions on adjustment processes. Budgeting, managing the schedule for preparing plans and budgets, and the financial performance indicator “thermometer”. His Excellency Marwan Ahmed Al Ali expressed his happiness for the UAE government’s honoring of the Ajman Department of Finance for winning an award in the category of innovation in the use of resources, stressing that the department’s various initiatives and innovative projects aim to keep pace with the continuous developments in modern techniques of artificial intelligence.. Noting that the department’s projects reflect its efforts Aiming to establish a culture of innovation and leadership in financial work, allowing employees to focus on higher-value businesses, and ensuring the integrity of Ajman government's financial performance data. It is worth noting that "UAE Innovates 2022" reflects the efforts of the UAE government to establish a culture of innovation in the government sector by celebrating new and innovative technical solutions, which contribute to consolidating the UAE's leading position in this field.
