His Excellency Marwan Al Ali, Director General of the Department of Finance in Ajman, confirmed the readiness of the department's employees to provide services to customers with high efficiency and to complete their transactions as quickly as possible, taking into account all precautionary and preventive measures.

In a statement to the Emirates News Agency, WAM, he said that the Department of Finance is ready to implement the decision to implement the gradual return of employees in the context of enhancing the continuity of government work, in parallel with the implementation of the remote work system for categories of workers who were excluded from the decision.

He added that the services at the Department of Finance will be carried out in light of preventive measures to preserve the safety of employees and customers and in line with the efforts and measures taken at the national level, aimed at limiting the spread of the new Corona virus.

The Ajman Human Resources Department had issued a circular regarding the gradual return of workplaces in government agencies in the emirate by 30%, starting from Sunday, May 31, 2020, and gradually increasing based on developments.
