His Highness Sheikh Camid bin Rashid Al Nuaimi, Member of the Supreme Council and Ruler of Ajman, approved the general budget of the Ajman government for the fiscal year 2020 with a balanced value and without a deficit of 1.752 billion dirhams within the Emiri Decree No. 10 of 2019. His Highness Sheikh Ammar bin Humaid Al Nuaimi, Crown Prince of Ajman and Chairman of the Executive Council confirmed The general budget of the government of Ajman 2020 comes in accordance with the directives of His Highness the Ruler of Ajman to provide a decent life for citizens and residents by launching initiatives and quality and value-added services in various fields in order to achieve the vision of Ajman 2021. His Highness said that the appropriations of the general budget 2020 reflect our development priorities, as the infrastructure sectors have gained Infrastructure and economic affairs accounted for 29% of the total expenditures in order to improve the business environment, while 18% of them were allocated to community development in order to take care of citizens and achieve decent livelihoods for them, and 15% for public order and public safety affairs in order to develop it and make it able to perform its role efficiently and effectively, 9 to protect the environment, and 3 For entertainment and sports services, and 26% for public services, for his part, Sheikh Ahmed bin Humaid Al Nuaimi, representative of His Highness the Ruler of Ajman for administrative and administrative affairs, indicated A mechanism that the 2020 budget transparently reflects the stable financial position of the emirate based on the implementation of disciplined financial policies based on the best international practices, as it is based on the implementation of ambitious plans and projects that foresee new horizons towards the future based on linking financial planning with strategic planning, which reflects the vision of the Department of Finance represented in achieving Sustainable financial development for the government of Ajman and enhancing the country's competitiveness. He said that the comfort of future generations poses challenges to us that require us to focus on the sustainability of financial resources and focus on developing infrastructure, whose benefit is not limited to the short term, but is expected to extend to serve the emirate for decades to come, especially since Ajman is witnessing continuous development in all fields, expressing He expressed his thanks and appreciation to government agencies for their contribution and effective cooperation with the Department of Finance and the participation of all administrative levels in preparing the 2020 budget according to best practices, in the spirit of one team. Sheikh Abdulaziz bin Humaid Al Nuaimi, Chairman of the Department of Tourism Development in Ajman, confirmed that the budget of the Emirate of Ajman for the year 2020, which was approved by His Highness the Ruler of Ajman, with a value of 1.752 billion dirhams, is a great achievement by all standards and means that the emirate’s economy is witnessing strong growth and is moving confidently towards further development and prosperity, which will give A positive boost for local and foreign investors to increase their investments and projects in parallel with the continuation of government spending plans on projects and infrastructure. He said that the Ajman government, under the leadership of His Highness Sheikh Humaid bin

Rashid Al Nuaimi, member of the Supreme Council and Ruler of Ajman, and His Highness Sheikh Ammar bin Humaid Al Nuaimi, Crown Prince of Ajman, has a clear vision and well-studied plans, especially in financial aspects and public spending that focuses on the citizen, his happiness and well-being, and it is continuing to implement its development and expansion plans. Non-stop and steadily in consolidating the economic gains and achievements it has achieved over the past decades. The head of the Tourism Development Department praised the top priority of the infrastructure and economic sectors in the budget of the Emirate of Ajman, which amounted to 29%, stressing that allocating the bulk of this sector pushes the wheel of development and achieves the goals of the wise leadership in attracting investment and the growth of the tourism sector and transforming the emirate into a center of attraction for businessmen and international companies The achievement of economic growth ensures the prosperity of the citizen, raises the standard of living and improves services, public facilities, schools and universities. Sheikh Rashid bin Humaid Al Nuaimi, Chairman of the Municipality and Planning Department in Ajman, affirmed that our rational government proves every year its support for all government departments and agencies operating in the emirate, as it seriously seeks to provide financial support that helps everyone to perform their work to the fullest and set out on the path of creativity and launch vital projects. Which casts a positive shadow on everyone. He said that the 2020 budget aims, with all its plans and programs, to provide a decent life for citizens and residents in the UAE in general and in the Emirate of Ajman in particular, and to establish an advanced infrastructure that raises the level of the emirate's economy and achieves its economic, social and knowledge ambitions, leading to the realization of Ajman Vision 2021, which is based on building a happy society that contributes to building a green economy. Motivated by a distinguished government consistent with the UAE Vision 2021, the national agenda and the spirit of the union, pointing out that 2021 is the year that marks the 50th anniversary of the founding of the UAE and the achievement of its goal, which it set many years ago, to be one of the best countries in the world enlightened by the vision of a wise, ambitious leadership that does not satisfy Without the first row. His Excellency Sheikh Mohammed bin Abdullah Al Nuaimi, Chairman of the Ajman Port and Customs Department, said that the 2020 budget for the Ajman government came to confirm the leadership's endeavor in the coming years to continue developing the performance of the general budget, which focuses on achieving decent livelihoods for citizens, meeting their needs and aspirations, and harnessing all resources for their service, community development and development. Infrastructure of the Emirate and stimulating entrepreneurship through economic incentives that have the effect of attracting more investments to ensure the achievement of the best rates of economic growth in the Emirate and the promotion of policies to control and rationalize government spending. For his part, His Excellency Marwan Ahmed Al Ali, Director General of the Department of Finance in Ajman, confirmed that the general budget for the fiscal year 2020 was balanced and without a deficit as a result of adopting disciplined financial policies, which contributes to achieving financial sustainability for the emirate and enhances its ability to expand in infrastructure development and enable the private sector to achieve Its role in economic growth. Al Ali pointed out the extent of the Department of Finance's particular interest in developing smart systems in preparing and operating government plans and budgets by activating the smart financial planning and analysis system.
