The Ajman Finance Department held a coordination meeting with Ajman Bank in the presence of His Excellency Marwan Ahmed Al Ali, Director General of the Department of Finance, His Excellency Muhammad Abdul Rahman Amiri, CEO of Ajman Bank, and a number of senior officials from both sides. During the meeting, a number of priority axes for both parties were discussed within the framework of developing and strengthening the strategic partnership with Ajman Bank in an effort to activate the role of the financial and banking sector in achieving economic growth in the emirate. The Director General of the Department of Finance stressed the department's keenness to enhance ways of joint cooperation with the financial and banking sector and to affirm its role to advance the sustainable development of the Emirate. He said that the meeting aims to ensure continued coordination and concerted efforts, in a manner that enhances the continuity of work teams to reach the best solutions and recommendations aimed at achieving diversified and sustainable economic growth, in line with the vision and aspirations of our wise leadership. For his part, the CEO of Ajman Bank praised the great role played by the Ajman government in strengthening the relations of joint cooperation between the public and private sectors, stressing the belief of Ajman Bank in the importance of these meetings and the permanent coordination between the two parties to reach the common goals of supporting economic growth and enhancing the quality of life for individuals. He said that the meeting with the Department of Finance confirms the keenness of both parties to enhance the efficiency and effectiveness of the various financial work mechanisms and highlights the exertion of all efforts to improve the quality of financial services provided to customers and enhance their level of satisfaction.
