AJMAN, 27 April / WAM / During its meeting chaired by Sheikh Ahmed bin Humaid Al Nuaimi, Ruler's Representative for Administrative and Financial Affairs and Head of the Department, the Leadership Council discussed a number of topics on its agenda related to the department's institutional risks, performance indicators and development plans implemented by the Department of Finance. During the meeting - which was held at the department's headquarters in the presence of His Excellency Marwan Ahmed Al Ali, Director General of the Department and the directors of departments and offices - the Board reviewed the institutional risks report and the most important risks that affect the Department's operations, in addition to the risk management policy followed, which confirms the interest and commitment of the senior leadership towards dealing with Institutional risk.

The Board also reviewed the implementation of projects and initiatives for the first quarter of this year and their targets for the same period. Sheikh Ahmed bin Humaid Al Nuaimi praised the department's performance and directed the department's leaders to exert more effort and learn about the experiences of others to reach the best practices in all aspects of financial institutional work.

For his part, His Excellency Marwan Al Ali affirmed the Department of Finance's keenness to make all efforts to upgrade the level of services provided to its customers in accordance with the highest international standards and in line with Ajman Vision 2021, which aims to build a happy society and a sustainable green economy.
